Response Journal 3: Exemplification

Use an example (or two!) in a one-to-two paragraph response in which you explain why you either agree with or disagree with Dave Barry’s piece, “Batting Clean Up and Striking Out.” You can use examples from your own life, someone else’s life, television, movies, stories you’ve heard, cultural images, other pieces we’ve read… anywhere. Just make sure to include at least one vivid example in your piece.

DUE: during the next class period.
