Video Critique of student speech

Name of Evaluator___________________________________

Name of Student Speaker______________________________

1. What were the main points in the body of the speech?

2. How did the speaker use gestures, eye contact and movement in their speech? Please assess the strengths and weaknesses of their style of delivery.

3. In what ways did the speaker adapt to their audience?

4. If visual aids (such as PowerPoint) were used, assess the overall strengths and weaknesses of the presentation.

5. What recommendations would you give for this student to work on for their next speech?
