MUS105 Extra Credit Assignment

1. As we were unable to get to it in class due to my illness, quickly outline the importance of Woodstock. Include relevant information from pages 211-218 in our class text.

2. Give a brief rundown of important music styles and artists associated with each city listed below, as outlined in chapters 1-6 in the book. ONLY chapters 1-6.
   - New York
   - Chicago
   - New Orleans
   - Cincinnati
   - Detroit
   - San Francisco
   - Los Angeles

3. Answer one of the short answer/essay questions from the exam. (Choose one that you did not attempt during the exam.) Remember, these deal with chapters 1-6, NOT later.
   1. Briefly describe five roles race played in the shaping of Rock and Roll from 1900-1960s.
   2. Discuss how different technological advances contributed to Rock and Roll. Include at least five technologies/inventions.
   3. Discuss the business side of Rock and Roll and its precursors. How did the possibility of making money influence decisions made by the movers and shakers?
   4. Discuss how large-scale crises had an effect on Rock and Roll and popular music in the first half of the 20th Century. (Wars, Great Depression, ...)
