For this activity, you will be investigating a pseudoscience claim from a magazine, internet site, or other source. Use a magazine or the internet to find a “miracle” drug, cure, device, etc., that makes extraordinary claims. Answer the following questions:

1. Describe the device, cure, drug, etc. that you are investigating. What claims does it make and how does it work?

2. Discuss how this device, cure, drug, etc. meets the 6 characteristics of a pseudoscience claim that we discussed in class (this information was presented in lecture and is not available in your book).

THIS ASSIGNMENT NEEDS TO BE TYPED AND DOUBLE-SPACED. IT IS DUE AT THE BEGINNING OF CLASS ON THE DATE INDICATED!!!
