Writing Exercise #2: Matching a picture and a poem.

Look through your copy of *The Eloquent Umbrella* and find a picture that you think matches or relates to a poem. Then write a freewrite on why you feel they are matched.

Take 20 minutes to do this in class.

Take your freewrite home and type it up, double-spaced, to be handed in next class. Your analysis should be a page or so in length.

10 points.
