Work Sheet: Stealing Home: The Socio-Politics of Baseball in Cuba

Please use this work sheet as an aid in watching and analyzing this video:

1. What value choices are at the center of this discussion and debate?

2. What are some of the main structural (institutional) differences you see in the comparisons among baseball systems?

3. Describe the three different models of individual experience and development offered in the video.

4. Make some general evaluative comments about what you see here. What issues are most significant? What does this discussion cause you to think about? What is your basic reaction to the material?
