Quiz #4: Answer the following questions in ink in the space provided below based on your reading of Chapter 14 in LaFeber. Due in class, Wednesday/Thursday May 14/15. (15 points)

1. Briefly explain how and why 1946 was an “awful year” using Europe, the Middle East, and Atomic Energy as illustrations.

2. Briefly explain the meaning and purposes of the Truman Doctrine. Identify the aftereffects of the Truman Doctrine including the concerns articulated by Walter Lippman. Be complete with your list.
3. Briefly explain the purposes of the *Marshall Plan*, characterized by LaFeber as “perhaps the greatest postwar success of US diplomacy. How did it operate? Why was it successful in Europe?
