*The River Game and Epilogue*

1. What are Harden’s main conclusions and suggestions about the fate of the *machined river* and the *river game*. In other words, briefly summarize his analysis of the political-economy of the Columbia River and his prescriptions for addressing the problems of this political-economy.

2. Briefly, what are your own thoughts about the political-economy of the Columbia River, this particular stage in the history of the Northwest, and Harden’s analysis? What are your major conclusions based on this reading?
