BARRIERS TO GOOD CULTURAL RELATIONS

Pick two of the barriers to good cross-cultural relations that we have discussed in class, think of a specific example for each and explain that example. Next, read pp. 274-282 “Approaches to Improving Cross-Cultural Relations.” Use the information presented to explain how you would overcome each of the examples you created (you must use the approaches discussed in the book).

NOTE: THIS WAS ASSIGNED AS HOMEWORK ON 7-28-03 AND IS DUE ON 7-30-03.
